

AUMORRA

— INTERNATIONAL —

Rooted in Tradition. **Driven** by Innovation.

COMPANY PROFILE

www.aumorra.com

ROOTED IN TRADITION. DRIVEN BY INNOVATION.

WHO WE ARE

Aumorra International is a trusted Indian export company, headquartered in Nashik, Maharashtra – one of India's leading agricultural hubs.

We specialize in the export of a wide range of agricultural products, including fresh fruits, vegetables, spices, grains, dry fruits and dehydrated products.

With a strong commitment to quality, transparency, and customer satisfaction, we deliver premium products that meet international standards and exceed expectations.

Our focus is on building long-term partnerships through ethical business practices, reliable supply chains and consistent product excellence.

OUR VISION

To be recognized as one of India's most trusted and globally preferred agricultural export companies.

OUR MISSION

To deliver world-class agricultural products with uncompromised quality, on time, every time – while creating sustainable value for our customers, partners and communities.

OUR CORE VALUES

- ✓ Integrity
- ✓ Quality
- ✓ Customer First
- ✓ Sustainability
- ✓ Innovation

PREMIUM QUALITY

Products sourced and processed to meet global standards.

TRANSPARENCY

Honest communication and ethical practices in every step.

GLOBAL REACH

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Our Commitment to Responsible Growth

At Aumorra International, we believe that business success is meaningful only when it creates positive impact beyond commercial boundaries. As a newly established export and trading company, we are committed to building a strong foundation of responsibility, sustainability, and community contribution.

Sustainable
Tomorrow

Stronger
Communities

Better
Education

Responsible
Growth

Our CSR Vision

To contribute towards building a healthier, greener, and more equitable world through responsible business practices and social development programs.

Focus Areas of CSR

Environmental Sustainability

- Supporting sustainable farming models
- Reducing waste in sourcing & packaging
- Responsible use of water and energy
- Tree plantation initiatives

Healthcare & Wellness Support

- Nutritional support programs
- Awareness on hygiene & health
- Medical aid in rural areas

Education & Employment

- Support for rural schools
- Scholarships for students
- Skill development programs

Orphanage & Elderly Care

- Support for orphanages
- Help for old-age homes
- Well-being programs

Aumorra Foundation (Future Vision)

Aumorra International plans to establish a dedicated foundation to manage CSR activities with transparency and measurable outcomes.

Our Approach

Identify
community
needs

Plan
sustainable
initiatives

Collaborate
with NGOs

Measure
impact

Scale
programs

Our Early Steps

- ✓ Support to farmer communities
- ✓ Organic farming awareness
- ✓ Donations to orphanages & elderly homes
- ✓ Tree plantation drives

Our Promise

CSR is not a mandate for us — it is a part of who we are. We are committed to responsible growth and community upliftment.
